

We *will* be hosting the 48<sup>th</sup> annual College Chemistry Canada (C3) conference this year!

Once again, it will be an online conference, with 5- and 10-minute oral presentations as well as opportunity for discussion and community engagement. We look forward to catching up.

[Please forward to other interested parties.](#)

The details:

**Dates:** Thursday, May 26 and Friday, May 27

**Times:** 9:00 a.m. - 12:15 p.m. PDT (1:00 p.m. - 4:15 p.m. ADT)

**Delivery mode:** Synchronous online, via Zoom

**Registration fee:** free! @ <http://collegechemistrycanada.ca/>

The theme of our conference this year is [Canadian Chemistry Continues...building resilience and relationships](#). We are looking for (i) Furious Five minute or (ii) 10-minute presentations (either *synchronously or as a pre-recorded video*) on how you can move forward with endurance and stamina in an ever changing teaching environment and how you can enrich the connection between you and your students to ensure engagement and success.

Registration, program of sessions and conference updates will be on the C3 website.
